

# OMTA ADJUDICATOR EVALUATION

Please fill this out, as adjudicators need to receive evaluations to keep our program of the highest quality. All comments will be consolidated without any identifying information (such as exam date or teacher's name) so that every evaluation will be kept totally confidential and be used for feedback to the adjudicator. Anonymous critiques cannot be used to take action. If you feel your negative complaint is serious and you want action taken, please send a signed letter to the State Syllabus Chairperson within thirty days.

Please comment as to the adjudicator's student rapport, punctuality, and relevance of the written remarks in addition to other concerns.
