

## Required Grade Minimum for Level 10 Syllabus Evaluation:

Teachers and Adjudicators alike are concerned that some students taking the Level 10 evaluations are too young and that there is pressure to complete the Syllabus program before a student enters High School. In response to this concern the Syllabus Committee made this decision:

*Students must be in 10<sup>th</sup> grade in order to register for a Level 10 evaluation, beginning Spring 2013.*

I know that this will affect many of you and that you may have valid concerns. If you feel that your student deserves special consideration regarding this rule please contact me. I desire your feedback regarding this.
