OVERVIEW: The OMTA Sonatina Festival is a biennial competitive event, taking place every other year. It gives students of high school age and younger the opportunity to compete with other students by performing before an adjudicator in a private audition. Each student receives a written evaluation of their performance. The festival encompasses ten levels, each of which is represented by one or more Sonatina/Sonata movements selected from various composers, periods, and styles. The Required Repertoire List correlates with OMTA Syllabus levels and is published early in the same year of the Sonatina Festival. All students within the same level perform the same piece.

GUIDELINES: Students may enter only one level and must perform from memory. There is no age restriction for students entering Levels 4-10. However, for students entering Levels 1, 2 or 3, the suggested age limit is 12 years old. Students should not take repeats unless noted otherwise on the repertoire list. Students must provide the adjudicator with the original score with measures numbered every 5 bars. Photocopied music is not allowed. Sheet music downloaded from reputable internet sites is acceptable (e.g. imslp.org, Petrucci Music Library). Please present downloaded sheet music in a black 3 ring binder with receipt, if applicable, and information regarding the source. Students should not take repeats unless noted otherwise on the repertoire list.

A Photo Release Form and COVID-19 Liability Waiver must be completed and submitted for each participant by the registration deadline. Forms can be scanned and emailed to 4marlarae@gmail.com or mailed to:

Marla Hansen
OMTA Sonatina Festival Co-Chair
8990 SW 172nd Place
Beaverton, OR 97007

*Note: If a participant has already signed a Photo Release Form or COVID-19 Liability Waiver Form this year, a copy of this may be submitted. It is not necessary to complete an additional form.

HONORS RECITAL AND AWARDS: Adjudicators choose the top two performers from each level to perform in a competitive honors recital that takes place immediately after the initial adjudication concludes. Adjudicators then award 1st and 2nd place trophies for each level at the conclusion of the honors recital. All decisions by the adjudicators are final.
